The PRINTERS GUILD Annual Scholarship Golf Outing

The main purpose of our Scholarship Golf Outing is to provide funds to students who are continuing their education in the Graphic Communications Industry. The deserving students are selected by their teachers from high schools and junior colleges in the Chicagoland area. Annually since 1976, The Printers Guild, because of your generosity, has been able to award thousands of dollars in scholarship money. We are one of the oldest trade associations that provide funds to insure the continuance of education.

The PRINTERS GUILD Reasons for creation in 1920

To promote and foster a spirit of friendly relationship, co-operation and mutual education among printers and printing trades in Chicago; to support and co-operate in any movement for the betterment of the printing and allied trades; to aid and encourage the members of this corporation in their respective businesses; to promote and encourage the arbitration and settlement of businesses controversies and misunderstandings between its members or between members and other persons, firms or corporations in the printing and allied trades; to aid and encourage the printing trades in establishing and maintaining a high standard of competition and business ethics; and to do and perform all other things which are or may become necessary to carry out the ideals and purposes of this corporation.

66th Annual Scholarship Golf Outing
