or sending e-mail to rcoder@wernerprinting.com
Please make your check payable to The Printers Guild.

President's Message

Another year, another golf outing, and another successful fundraiser.

Because of your generosity, we've been able to help several deserving students in their quest to succeed in the printing industry. (see article on bottom right)

We've got another exciting event planned before the end of the year. Our last event of the year will be a company tour of Fuji Photo Film. If you ever wanted to see how they make film, this would be the tour to be at.

September 15th after the Print '09 show we're meeting with some of our other friends from Calumet City Ben Franklin Club, and PII. It will be informal and we'll have a chance to compare notes on the show. Hopefully, we can learn something from each other.

As may be obvious, we're going to need to fill out our calendar for October 2009, and the spring of 2010. So we're asking our members and friends for help. If you have any suggestions for tours, speakers, or topics, let me know by sending me an e-mail. My address is below.

Hope to see you there. Keep smiling.

Sincerely,

Howard Moldofsky - hmoldofsky@howlan.com

Plant Tour

Tuesday, April 6, 6:00 p.m.

Plant Tour

Tuesday, May 4, 6:00 p.m.

Printers Guild 3rd

Annual Panel Discussion

This year's topic SALES!

In 2009, the Printers Guild awarded 7 scholarships to deserving graphic arts students who were selected by their teachers and/or deans. These scholarships are made possible through our **Annual Printers Guild Golf Outing** by the generosity of gift donors, individuals, and golf hole sponsors.

We have already seen the Printers Guild award scholarships to Jędrzej Gibowicz of Triton's Visual Communication Program and Camille Severino who will be attending either DeVry or ITT Tech.

Now, we are proud to announce the other scholarship winners: they are **Libby Chapel** from the Technology Center of DuPage/Wheaton Warrenville South High School, **Julie Smid** also from the Technology Center/Glenbard North High School, **Danielle Schneider** of Woodstock High School, **Vanessa Grass**, who will be attending Rock Valley and **Andrew Eureka** of Rock Valley College.

We congratulate our scholarship winners. Over the next several months we'll highlight their stories with our members via the TONIC.

So, let's begin by telling you about **Danielle Schneider**. She got the "bug" for graphic arts, in her junior year at Woodstock High School. She took several classes, loved them all and increased her knowledge and skills in the graphics area.

Danielle will continue her education at Eastern Illinois University. She'll be majoring in graphic arts/design and may be double majoring in education. We can only hope that the double major will be in graphic arts and a few years from now she'll be presenting her students to us for scholarships.

Best wishes Danielle Schneider and enjoy your bright future.

**Membership keeps us strong.
